Learning Waves Skillnet Tender Document 2019

1. Introduction

The Learning Waves Skillnet is a national network representing the Independent Commercial Radio Sector in Ireland. The network has been providing training for the Independent Commercial Radio sector since 2004. The network provides training across a wide range of radio disciplines : sales, news, music programming, research, production, management, finance, technical and social.

2. Objectives of Request for Tender(RFT)

The objective of this Request for Tender (RFT) is to form / establish a panel of qualified trainers, from which providers will be selected to participate in a mini-competition for contract award for delivery of training programmes to the Learning Waves Skillnet and its member companies, once specific needs arise.

It is important to note that the inclusion of training providers on the 2019 panel does not guarantee a contract to deliver training for the network.

3. Instructions to Tenderers

The detailed instructions regarding the format and requirements of this RFT are set out in Appendix II. These instructions must be observed to ensure the completeness and eligibility of the tender.

4. Awarding Criteria

The panel will be established from the qualifying tenders on the basis of the most economically advantageous tender (MEAT), using the following awarding criteria:

Criterion	Maximum Score Available	
Relevant Experience	450	45%
Qualifications	280	28%
References	270	27%
Total Maximum Score Available	1000	100%

1. **Relevant Experience** means that the highest scores will be awarded to the trainers who have relevant experience in delivering similar projects, i.e. design, development, delivery and evaluation of relevant training programmes.
2. **Qualifications** list of qualifications for trainers who will provide the service must be provided.
3. **References** will be assessed on their quality and the relevance to each programme tendered for. Referees names and contact details may be provided in place of written references. Learning Waves Skillnet reserves the right to check these references during the procurement process. Where no references are provided with the submission, the tender will be automatically disqualified.

5. Duration and Scope of Panel

The panel will be established until December 2019. The panel is open to new training providers during 2019 and their proposals will be assessed on submission.

Tenders that score a minimum of 700 points (70%) will be admitted to the panel. Once specific training needs arise, at least 3 service providers admitted to the panel will be invited to participate in a mini-tender. A contract for delivery of these services will be awarded to the most competitive/highest scoring tender, evaluated using specific awarding criteria which will be made known to those invited to tender.

6. Contracts Awards

Once specific training needs have been identified, the network will select one of the following options when carrying out a mini tender for contracts.

a. Contracts with an estimated value less than €5K

Written quotes may be obtained from one or more supplier on the panel and the most competitive programme will be selected.

b. Contracts with an estimated value over €5K

A brief specification seeking written proposals will be sent by email to at least 3 service Providers already admitted to the Panel. A contract for the delivery of these services will be awarded to the highest scoring tender, evaluated using specific awarding criteria which will be made known to those invited to tender.

7. Ineligibility Under EU Rules

Tenderers, to whom any of the circumstances listed in paragraph 1 of Article 20 of EU Council Directive 93/36/EEC (co-ordinating procedures for the award of public supply contracts) apply, will be excluded from this competition (Broadly, these circumstances are bankruptcy, professional misconduct and failure to pay taxes or social security contributions.)

8. Terms & Conditions

8.1 Tender Format & Delivery. Tenders must be completed in accordance with the format specified in Appendix IV. **Incomplete tenders will be automatically rejected.**

8.2 Confidentiality and Intellectual Property. Learning Waves Skillnet requires that all information provided pursuant to this invitation to tender be treated in strict confidence by tenderers.

8.3 Freedom of Information Act. Learning Waves Skillnet will endeavor to hold confidential any information provided in this tender, subject to its obligations under law, including the Freedom of Information Act.

Should the tenderer wish that any of the information supplied in this tender not be disclosed because of its sensitivity, the tenderer should, when providing the information, identify the sensitive information

and specify the reason for its sensitivity. Learning Waves Skillnet will consult with the tenderer about this sensitive information before making a decision on any Freedom of Information request received. If third parties request information pursuant to the Freedom of Information Act, unless this information has been identified as being sensitive, with supporting reasons, then it is likely to be released in response to a Freedom of Information request.

8.4 **Conflicts-of-Interest.** Any potential conflicts-of-interest involving a tenderer must be fully disclosed to Learning Waves Skillnet. Failure to disclose a conflict-of-interest may disqualify a bidder or invalidate an award of contract, depending on when the conflict-of-interest comes to light.

Learning Waves Skillnet will not be liable in respect of any costs incurred by consultants in the preparation of tenders, or any associated work effort.

Learning Waves Skillnet Tender Document 2019
